

July 2021

Greetings!

Thank you for subscribing! You have received this email because you previously signed up to receive email notifications when a Gwinnett L.I.F.E. or OneSTOP program guide became available. We have combined those programs guides into InGwinnett.

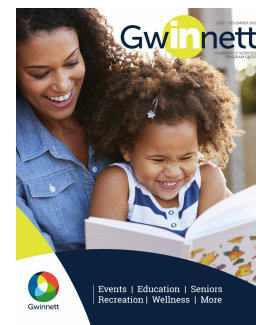

We produce the InGwinnett program guide three times per year and will only email you when a new edition becomes available. We will never sell or distribute your information.

New Edition

Browse our new [InGwinnett: July – December](#) edition! Simply click on an activity to register. You must create an account or log in to add the activity to your cart and checkout.

Some activities may not require registration. If you have any questions or need assistance, just call the activity location during open hours.

As we return to normal operations and expand our programs and services, we ask visitors to continue following all public health guidance.

National Park & Recreation Month

Celebrate and share “Our Park and Recreation Story” with us throughout July! We will recognize this year’s theme, which highlights how parks and recreation positively impact communities, with fun activities, giveaways, and social media posts.

[Register online](#) to participate in our free or low-cost activities for all ages and abilities, including arts and crafts, fitness, games, socials, and more.

Like and follow [@GwinnettParksandRec](#) to enter in our weekly drawings, share your favorite parks and recreation experiences and memories, and read about our impact with [#OurParkAndRecStory](#). Pick up a free hand fan at any [parks and recreation](#) community center, gym, or aquatic center to help tell your story on social media.

Become a part of someone else’s story by giving the gift of reading. Donate a children’s book appropriate for up to age 8 at any [parks and recreation](#) community recreation center, gym, or aquatic center. Your generous contribution will support our G.R.E.A.T. Little Minds Book Exchanges, encouraging creativity and reading.

Community Services became a program operator three years ago and has partnered with Gwinnett County Public Schools and Gwinnett County Public Library to add more locations each year.
