OneSTOP 4 HELP

This year, we kicked off the OneStop 4 Help, an initiative designed to guide residents to find the appropriate agency to assist with various services. Our Community Navigators can help locate agencies that can assist with food security, homelessness, emergency housing, utility and rental assistance, and other social needs.

Warming Stations

In partnership with Parks and Recreation, local first responders, and community-based organizations, we opened accessibility to safe County facilities for residents to receive a nutritious meal and to warm up when overnight temperatures dip below 35 degrees.
