## EXECUTIVE SUMMARY

This report begins with a discussion of notable events that occurred in September and early October, including the refunding of Series 2009A and 2009B Water and Sewerage Authority Bonds and the continuation of fiscal year 2020 budget preparation. Highlights from these activities, as well as an update of residential and commercial property tax appeals, are discussed below.

Separate discussions for the General Fund, Service District Funds, and Water and Sewer Operating Funds are provided on pages 3 – 9, followed by a summary of recurring monthly financial trends. This report continues with financial summaries for each of Gwinnett County's operating funds, budget adjustments schedules for both revenues and appropriations, and an investment update as of June 30, 2019.

### **Refunding of Series 2009A and 2009B Water and Sewerage Authority Bonds**

On September 26, 2019, the County, through its Water and Sewerage Authority, issued \$128.5 million in bonds to refund its Series 2009 bonds. Prior to this date, the County's AAA credit rating was reaffirmed by three credit rating agencies and an offer was developed and taken to market. Bids were taken via competitive sale for the purchase of the Gwinnett County Water and Sewerage Authority Refunding Bonds. The bonds were awarded to the lowest bidder, J.P. Morgan, at a true interest cost of 1.51 percent.

By taking advantage of our strong credit rating in a lower interest rate environment, the refunding will result in a total debt service savings of \$23.1 million and a net present value savings of \$18.2 million.

### **Residential and Commercial Property Tax Appeals**

Notices of Current Assessment for the 2019 tax year for residential and commercial properties were mailed in early April (with additional notices for corrective matters as needed). During the associated appeal periods, taxpayers filed 11,807 residential and commercial real property tax appeals, a 41 percent increase from the number of real property appeals filed last year. As of October 14, 2019, 63.5 percent of the appeals have been settled.

### **2020 Budget Preparation**

The fiscal year 2020 budget planning process continues. From August 26, 2019 through August 29, 2019, County elected officials, department directors, and agency heads presented their business plans and budget requests to the Chairman's Budget Review Team for consideration. Fiscal year 2020 business plan presentations have been recorded and are available for viewing on the [2020 Budget Review Meetings](#) page on Gwinnett County's website.

On November 19, 2019, the Chairman's 2020 budget proposal will be presented to the district commissioners and made available to the public. A public hearing is scheduled for December 12, 2019. By county ordinance, the Board of Commissioners must adopt the annual budget during its first meeting in January.

# GENERAL FUND (PAGE 11)

The General Fund accounts for all County revenues and expenditures that are not restricted to, or accounted for, in other funds. The County’s General Fund supports services that benefit stakeholders, businesses, and residents countywide, such as sheriff, jail, courts, correctional facility, tax commissioner, health and human services, transportation, and elections.

**GENERAL FUND  
2019 YTD REVENUES BY CATEGORY**

*Contributions and Donations and Licenses and Permits are too small to appear in the chart.*

Property taxes, including motor vehicle taxes, make up approximately 64 percent of year-to-date revenues in the General Fund. This percentage is expected to increase in October as collections through the October 15 property tax bill due date are posted. Current year real and personal property taxes make up the largest percentage of the fund’s budget.

The Clerk of Court’s transition to a new case management system has resulted in a delay receiving intergovernmental revenues, charges for services, and fines and forfeitures from that office.

Other financing sources revenues are up significantly over this same time last year due to a transfer of \$8.5 million from the 2003 G.O. Bond Debt Service Fund. The 2003 general obligation bonds were issued to build the County’s Detention Center and funded by a special property tax millage rate which was discontinued in 2017. The bonds were paid in full on January 1, 2019.

**GENERAL FUND  
BUDGET VS. ACTUAL BY DEPARTMENT  
SEPTEMBER 2018-2019 YTD EXPENDITURES**

Non-departmental expenditures in the General Fund are approximately \$2.8 million, or 9.8 percent, higher than this same time last year. This is primarily due to an increase in contributions to local transit and an increase in Homelessness Initiative expenditures. The non-departmental budget includes \$1.2 million in contributions to the Airport Fund for capital improvements at Briscoe Field. Contributions of approximately \$934,700 have been made to the Airport Fund in 2019, but no contributions to the Airport Fund had been made at this same time last year.

Community Services Subsidies are currently over budget based on the percentage of the fiscal year that has lapsed, which is primarily due to the timing of when subsidy payments and payments to other governments are made. Community Services subsidy payments are generally paid quarterly. As of the date of this report, most Community Services subsidy recipients have received all four quarterly subsidy payments for 2019.

# DEVELOPMENT & ENFORCEMENT SERVICES DISTRICT FUND (PAGE 14)

The Development and Enforcement Services District Fund accounts for revenues and expenditures attributable to the Development and Enforcement Services District. This district includes all properties within unincorporated Gwinnett County. The County is responsible for providing short-term planning and code enforcement services within this district.

**DEVELOPMENT AND ENFORCEMENT SERVICES DISTRICT FUND  
2019 YTD REVENUES BY CATEGORY**

Although current year-to-date revenues collected are primarily from licenses and permits, as shown in the chart above, the main revenue source will shift to property taxes in October as collections through the October 15 tax bill due date are posted. Property taxes represent approximately 53 percent of the fund's annual budget.

**DEVELOPMENT AND ENFORCEMENT SERVICES DISTRICT FUND  
BUDGET VS. ACTUAL BY DEPARTMENT  
SEPTEMBER 2018-2019 YTD EXPENDITURES**

In April, the 2019 budget and expenditures for the Code Enforcement Division were transferred from Police Services to Planning and Development.

# FIRE AND EMERGENCY MEDICAL SERVICES DISTRICT FUND (PAGE 15)

The Fire and Emergency Medical Services District Fund accounts for revenues and expenditures attributable to the Fire and Emergency Medical Services District. This district includes all properties within unincorporated Gwinnett County and all cities except Loganville. Gwinnett County is responsible for providing fire and emergency medical protection within this district. The City of Loganville operates its own fire department, but residents and businesses continue to receive County-provided emergency medical services.

**FIRE AND EMERGENCY MEDICAL SERVICES DISTRICT FUND  
2019 YTD REVENUES BY CATEGORY**

Property taxes make up approximately 45 percent of year-to-date revenues in the Fire and Emergency Medical Services District Fund, as shown in the chart above. This percentage is expected to increase in October as collections through the October 15 property tax bill due date are posted. Property taxes represent approximately 80 percent of the fund’s annual budget.

**FIRE AND EMERGENCY MEDICAL SERVICES DISTRICT FUND  
BUDGET VS. ACTUAL BY DEPARTMENT  
SEPTEMBER 2018-2019 YTD EXPENDITURES**

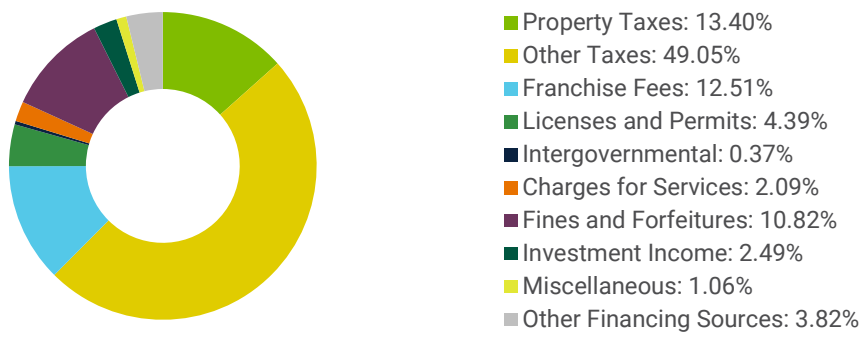

As shown in the chart above, non-departmental expenditures in the Fire and Emergency Medical Services District Fund are up approximately \$3.4 million over this same time last year due to an increase in contributions to capital for future capital needs.

# POLICE SERVICES DISTRICT FUND (PAGE 17)

The Police Services District Fund accounts for the revenues and expenditures attributable to the Police Services District. This district includes all properties within unincorporated Gwinnett County and cities that do not operate their own police departments (Berkeley Lake, Buford, Grayson, Dacula, Peachtree Corners, Rest Haven, and Sugar Hill). Gwinnett County is responsible for providing police protection within this district.

## POLICE SERVICES DISTRICT FUND 2019 YTD REVENUES BY CATEGORY

*The other taxes category in the chart above includes occupation taxes and excise taxes on beer, wine, distilled spirits, and mixed drinks.*

Although the chart above shows approximately 49 percent of current year-to-date revenues are collected from other taxes, the main revenue sources will shift to property taxes and insurance premium taxes in October as collections are posted. Property taxes and insurance premium taxes represent approximately 55 percent of the fund’s annual budget.

Charges for services revenues in the Police Services District Fund decreased approximately \$144,400, or 14.7 percent, from this same time last year, primarily due to decreases in false alarm fees and legislative changes in fee collections.

Fines and forfeitures in the Police Services District Fund are down approximately \$1.1 million, or 20.3 percent, from this same time last year, due in part to decreases in Recorder’s Court fines and school bus camera citations. In addition to a decline in the overall number of school bus camera citations issued, school bus citation fees were reduced by House Bill 978, which became effective July 1, 2018.

**POLICE SERVICES DISTRICT FUND  
BUDGET VS. ACTUAL BY DEPARTMENT  
SEPTEMBER 2018-2019 YTD EXPENDITURES**

As shown in the chart above, non-departmental expenditures in the Police Services District Fund reflect \$0 expended to date for this fiscal year. At this same time last year, approximately \$1.6 million in payments to cities and \$1.3 million in contributions to capital had been made. The payments to cities were a result of a negotiated Service Delivery Strategy agreement reached between Gwinnett County and its cities in early 2012.

Recorder's Court expenditures in the Police Services District Fund are higher than this same time last year and are currently over budget based on the percentage of the fiscal year that has lapsed. This is primarily due to a retirement payout. Staff will continue to monitor these expenditures to determine if a budget adjustment is necessary.

# WATER & SEWER OPERATING FUND (PAGE 47)

The Water and Sewer Operating Fund supports the operation, maintenance, and capital improvement of the water and sewer system.

**WATER AND SEWER OPERATING FUND  
SEPTEMBER 2018-2019 YTD REVENUES AND EXPENSES**

Year-to-date Water and Sewer Operating Fund revenues are approximately \$15.0 million, or 6.1 percent, higher than this time last year. This is primarily attributable to increases in water and sewer retail revenues and conservation surcharges, as well as an increase in water and sewer rates effective January 1, 2019. As of the end of September, year-to-date water consumption is up approximately 6.4 percent over last year.

Although year-to-date revenues are coming in higher than this same time last year, they are approximately \$3.3 million, or 1.2 percent, under budget based on the percentage of the fiscal year that has lapsed. This is primarily because a large portion of the revenue received in January was for services provided in December, and was therefore recorded in 2018. This will cause revenues to appear understated when compared to budget until year end. Lower than expected water retail revenues and conservation surcharges are also contributing to revenues coming in under budget. Despite being higher than last year (per the previous paragraph), these revenues are coming in lower than budgeted expectations.

Year-to-date Water and Sewer Operating Fund expenses are approximately \$23.0 million, or 8.8 percent, higher than this same time last year. The year-over-year increase in operating expenses is primarily attributable to an increase in the transfer to the Renewal and Extension capital fund for future capital needs. There have also been increases in bio-solid transportation and disposal costs.

Although year-to-date expenses are higher than this time last year, they are approximately \$16.4 million, or 5.5 percent, under budget based on the percentage of the fiscal year that has lapsed. The variance is primarily attributable to conservative budgeting, fluctuations in variable costs such as chemicals and utilities, and lower than expected expenses related to professional services, contracted repair and maintenance services, and personal services.

## RECURRING MONTHLY FINANCIAL TRENDS

Expenses in the 2003 G.O. Bond Debt Service Fund are up significantly over last year because the final payment on the bonds was made, and the remaining \$8.5 million has been transferred to the General Fund.

The Street Lighting Fund temporarily reflects negative equity, as expected this time of year. Equity will become positive in the fourth quarter when fees are collected with property tax bills.

Charges for services revenues in the E-911 Fund are up approximately \$1.8 million, or 12.4 percent, compared to this same time last year, primarily due to an increase in prepaid wireless phone revenues. A prepaid wireless phone rate increase went into effect January 1, 2019.

Tax revenues in the Tourism Fund are up approximately \$1.0 million, or 14.4 percent, over this same time last year, primarily due to an increase in the hotel/motel tax rate. In May 2018, the Gwinnett County Board of Commissioners amended the Hotel/Motel Occupancy Tax Ordinance to increase the rate from 7 to 8 percent effective August 1, 2018. The increase allows the County to expand efforts towards the promotion, attraction, and development of tourism within Gwinnett County.

Expenses in the Local Transit Operating Fund are up approximately \$3.5 million, or 47.1 percent, over this same time last year, primarily due to an increase in contributions to the Transit Renewal and Extension Fund, the addition of new transit routes, a rate increase from our transit services provider, and an increase in expenses related to the Snellville micro transit pilot program which began in September 2018 and ended in April 2019. Additionally, some expenses that were grant funded last year were paid from the Local Transit Operating Fund this year.

Information Technology Services expenses in the Administrative Support Fund increased approximately \$4.3 million, or 21.7 percent, compared to this same time last year, primarily due to the County's cyber security initiatives. The County executed an enterprise agreement related to software licensing and subscriptions, firewalls, and other enhancements. Additionally, expenses increased for personal services as the County strives to remain competitive in attracting and retaining a quality talent pool, and for purchases related to cloud-based solutions.

Law Department expenses in the Administrative Support Fund are approximately \$273,900, or 15.7 percent, higher than this same time last year and are currently exceeding budget based on the percentage of the fiscal year that has lapsed. Staff will continue to monitor this fund throughout the year to determine if a budget adjustment is necessary.

Miscellaneous revenues in the Group Self-Insurance Fund are approximately \$909,300 higher than this same time last year, primarily due to stop loss insurance reimbursements.

## Tree Bank Fund (040)

This fund accounts for activities related to the Gwinnett County Buffer, Landscape and Tree Ordinance. During the permitting process, the developer has the option to pay money when the required tree density units cannot be met on site. The monies collected must be used by the Department of Planning and Development, Community Services and/or Support Services for the planting of trees at parks, greenways, fire stations, and libraries within the same commission district in which the development is located or within five miles of such district. Alternate planning locations may be approved by the Director of the Department of Planning and Development. Expenditures for this fund occur as projects are identified and approved.
